**POINTS AND AUTHORITIES**

On May 20, 2021, defendant Rodrick Cardale Reed ("defendant") filed a motion for re-sentencing and compassionate release. (CR 1841.) On June 22, 2021, the government filed an opposition to defendant's motion. (CR 1854.) The government filed Attachment 1 with the Opposition that included the Pre-Sentence Report ("PSR") for defendant. The government mistakenly believed that defendant previously filed the document on the record in the case. (CR 1854, n. 1.)

On approximately June 28, 2021, government counsel was contacted by telephone by Ian Wallach, Esq., counsel for defendant. Counsel indicated that the PSR was not previously filed on the record. The government reviewed records and confirmed that counsel was correct. The government suggested that the government would file a request to place the attachment under seal, and counsel agreed that it would be appropriate to do so.

Therefore, the government hereby requests that the Attachment to its Opposition, that is, the attachment to docket entry 1854 in this case, be placed under seal.
